Transformative Simulations for World-Class Learning

Blockchain Simulation

This simulation helps participants gain hands-on experience in creating a decentralized application (DApp) using smart contracts and explores the concept of tokenization.

DeFi Trading Simulation

This simulation focuses on the DeFi trading environment using blockchain technology. Participants engage in trading digital assets, interacting with smart contracts, and exploring NFTs.

Regulatory Compliance Simulation

A dynamic simulation enabling participants to navigate through scenarios involving data protection, KYC, and evolving regulations. Develop strategies for FinTech governance and AI integration.

Network and Interact at the Campus of Prestigious IIM Visakhapatnam

Gain a unique opportunity to participate in a **Two days Campus Immersion** at the picturesque campus of Indian Institute of Management Visakhapatnam. Build lifelong connections with your peers, participate in workshops and hackathons, & experience student life at one of the top IIMs in India.

Some unique features you can expect in the immersion include:

- Networking with Peers
- Interaction with Faculty
- Offline Classes
- Strategy & Growth Simulations
- Valedictory Ceremony

Merchandise Kit

Upon enrolling in the prestigious IIM Visakhapatnam program, students are equipped with a comprehensive merchandise kit. This thoughtfully curated kit enhances the student experience and fosters a conducive learning environment.
